

Certificate Program Update

We have had a good response to our plea for volunteers. More volunteers are needed especially on Mondays & Wednesday from 2-4 and Tuesdays & Thursdays from 6-8. Please consider supporting our school in this important fundraising effort.

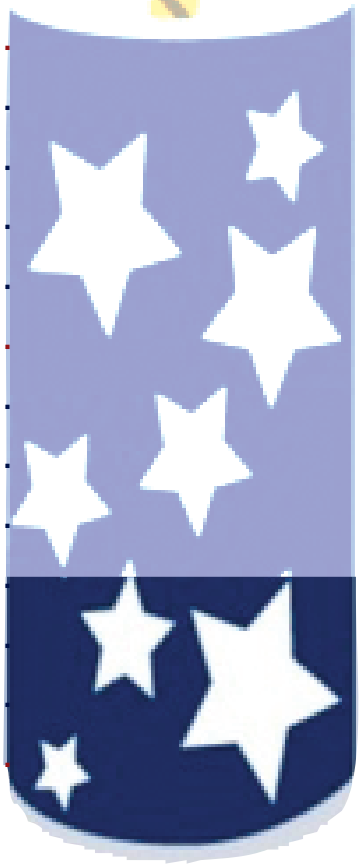

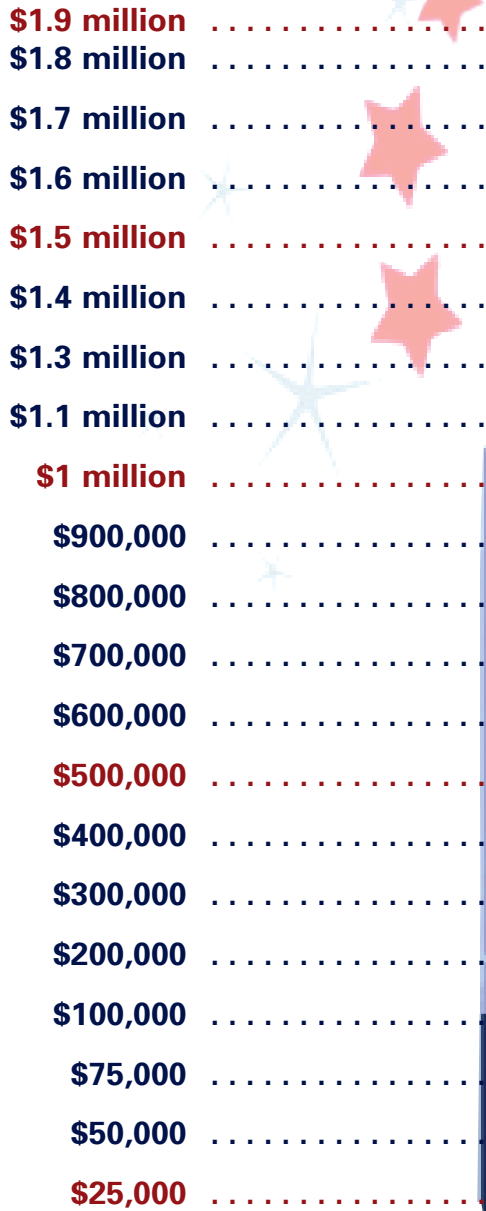

To reach our goal of raising \$90,000, we must sell approximately \$1,900,000.00 in certificates by June. All day school families are encouraged to purchase a minimum of \$3500 certificates annually.

Our promotion (see other side) "*Let's Light Up the Sky by the Fourth of July*" firecracker will be the tool that we will use to communicate our progress. Sales to date are approximately \$100,000, please continue to buy certificates.

Beginning Saturday, September 12th certificates will be available **before** Saturday's 5:00 PM and Sunday's 9:30 & 11:30 AM Masses. Beginning Monday, September 16th certificate preorders can be sent in with students, or dropped off at the school or rectory offices and available for the pick-up of your choice.

Volunteer forms, pickup times, etc can be found on the school website www.holyfamilystow.org, click on certificates.

Let's Light Up the Sky by the Fourth of July

Help us reach our goal of \$1.9 million in
certificate sales!
